

**RIZON**

Pegasus 100 PRO

Portable Full Height Turnstile

Common Applications

- Perimeter control/fence line security
- Time and attendance integration
- Loss prevention
- Employee and visitor access control
- Unmanned point of entry
- Single-direction traffic control/one-way exiting

Introducing the Rizon Pegasus 100 PRO. This smaller, more compact single version of the Pegasus 200 PRO uses what makes the Pegasus series our best-selling product: its compact design and compatibility with Rizon's very own workforce management and access control software and Rizon's Ultimate Reader (Both available installed from the factory). This Pro-Level turnstile offers a great entry point into the Rizon PRO Series construction turnstile products. Our Pro products are built Rizon tough and proudly made and assembled in the USA.
